

We appreciate your patience and understanding as we navigate the challenges of the COVID-19 pandemic. Our goal at this time is to continue to provide services for our patients while keeping them safe. We understand this is a very difficult time for everyone and will do our very best to serve all of your healthcare needs while maintaining the safest environment for everyone involved. If you have any questions or concerns, please do not hesitate to call our office.

SCREENING

YOUR SAFETY IS OUR TOP PRIORITY. WITH THAT IN MIND, SCREENING PROCEDURES ARE TAKING PLACE UPON ENTERING THE BUILDING.

- 1) HAVE YOU HAD SYMPTOMS OF COVID-19**
- 2) HAVE YOU TRAVELED OUTSIDE YOUR COMMUNITY?**
- 3) HAVE YOU BEEN IN CONTACT WITH SOMEONE DIAGNOSED WITH COVID-19?**
- 4) HAVE YOU BEEN TESTED FOR COVID-19?**

The physicians at Columbus Oncology strongly recommend the COVID-19 vaccine. Your physician will be happy to discuss this during your next office visit or sooner by contacting our office.

- * The benefits of receiving the COVID-19 vaccine outweigh any minimal associated risks.
- * Please check with your local health department to determine when and where you can get your COVID-19 vaccine.

www.columbus.gov/publichealth/
- * If you have previously experienced an allergic reaction to a chemotherapy medication, please call our office before scheduling your vaccine.
- * The Centers for Disease Control is a great resource for more information.
